The PANTHERS of '66

The Panthers football season started out very discouragingly but ended in a very pleasant way with a winning score of 26-12. We are looking forward to a promising season next year, although we are losing quite a few of our Sr. High players. Lougee, one of our most valuable players, was voted all conference half-back.

BASKETBALL

The basketball season for N.H.S. came to a halt with only three wins. The panthers team was not complete until the season was half over, which made winning a little more difficult. We may be losing most of our team, but then again we are gaining new players; so lets prove

SPANISH CLUB - Although the Spanish Club is relatively new and small, the club lacks no enthusiasm in their effort to expand their club and encourage others to learn the Spanish language.

STUDENT COUNCIL - This year, under the sponsorship of Mrs. Miller, the council has achieved a lot. We hope the Student Council will have the backing they have had in the past to make this year the most successful.
